EDUCATION

9 weeks web development bootcamp from March to May 2018 (+400h fully English)

Graduated from ECS in 2015 : Master Degree in Public Relations / Event

Graduated from University of Lorraine in 2013 : Bachelor in Journalism & Communication

I am currently looking for new professional challenges and adventures.

My adaptability to any task allows me to be quickly operational in each of the missions that you can entrust me.

I am learning to code since March 2018 and I discovered a new passion that I can mix with my creativity to build projects on my own.
